and our TDCA

## WELCOME TO THE TYALGUM COMMUNITY!

*Tyalgum Valley viewed from The Lookout* @Barbara the Illustrator. Used with Permission.

This flyer provides useful information for both our old and new residents, villagers, our farmers and rural residents. It includes contacts and information you may need in an emergency, useful numbers for local services and tradies, markets, farm gate produce and more. It's about connecting local people, businesses, places and issues. Our district grew from a proud history as a timber town and now supports beef, dairy, forestry and a broad range of food production and rural tourism businesses. In rural communities like this, distant from main towns, we rely on each other in emergencies. In collaborating for mutual benefit in both good times and tough, our community becomes more robust and rich in its diversity. Together, we are co-creating a great place to live. Join in and help make it happen!

### WHAT'S HAPPENING IN AND AROUND TYALGUM?

Tyalgum Village and District News – An informative bi-monthly newsletter that you can generally pick up at the Tyalgum General Store or the Post Office. Contact is: [rebecca@pacificmaritimelawyers.com.au](mailto:rebecca@pacificmaritimelawyers.com.au)  
For all the Tyalgum community news, events and whats on log onto:

# PREPARE FOR EMERGENCY EVENTS

- ✓ Get to know your neighbours, have their phone numbers on hand. Put them in your mobile
- ✓ Join the Tyalgum District Fire Service (RFS) and help us locals keep the area safe in times of bushfire and emergency. Call Sean Haynes on 0437 820 020 Do up your own Survive and Recover Kit: get a great checklist for this at [www.redcross.org.au/prepare](http://www.redcross.org.au/prepare)
- ✓ Have a generator at your property and a spare charged power pack for your mobile devices
- ✓ In case of emergency have three days of food and water stored up for your family and animals
- ✓ Check that your neighbours are safe in times of emergency
- ✓ Get your household prepared with a Fire Ready Kit from the local RFS Purchase 2 Snake Bite Kits. Keep one in the car and one at home
